36TH MAMC MEETING SPONSORSHIPS

February 14, 2006

The 36th Mid-Atlantic Macromolecular Crystallography Meeting will be held at Wake Forest University in Winston-Salem, North Carolina, on June 1-3, 2006. The Meeting will serve as a forum for communication among protein crystallographers and structural biologists who use X-ray crystallography in their research and will also facilitate exchange of the latest research findings. Potential participants will include over 400 research scientists in the Mid-Atlantic region from academia, government, and industry. The 2006 Meeting website is <http://csb.wfu.edu/midatlantic06>.

The success of our 2006 Meeting depends critically on your company's financial support, which can be provided in one of two ways:

1. A contribution of \$500
 - Your company's logo displayed on the Meeting home page and linked to the company home page.
 - Acknowledgment of your contribution during the Meeting.
 - Access to the list of participants.
2. A contribution of \$1,000 or more
 - Your company's logo displayed on the Meeting home page and linked to the company's home page.
 - Acknowledgment of your contribution during the Meeting.
 - Access to the list of participants.
 - A booth for your use at the conference location during the Meeting.

We hope that you will choose to support the 2006 Meeting and the further development of Structural Biology as a research tool in the biomedical sciences. An Exhibitor Registration function has already been added to the website. Checks can be made payable to **36th Mid-Atlantic Crystallography Meeting** and sent to me at:

Center for Structural Biology
Wake Forest University Health Sciences
Medical Center Boulevard
Winston-Salem, North Carolina 27157

Your generosity will be greatly appreciated.

Sincerely,

Al Claiborne
